

ASP.NET MINI PROJECT

- **Munagala Krishna Sai, Mahvash Fatima, Arghya Mukherjee, Donikena Yashwanth , Chirag Jindal**

1. Default Page (Search for donors)-Module 1

The screenshot shows a web browser window with the address bar displaying 'localhost:53733/SearchResult.aspx'. The page content includes a purple header bar with the text 'SEARCH FOR BLOOD DONOR'. Below this, there are four text input fields labeled 'Blood Group', 'Country', 'State', and 'City'. A 'Search' button is positioned below the 'City' field. At the bottom of the page, there is a link that reads 'Want to be an Donor? Register here'.
